

From the desk of Jonathan Lutz

I want to thank all our guests who have supported our dinner service on the weekends at Uptown Kitchen. At Uptown Kitchen, we are dedicated to offering friendly and professional service paired with quality, fresh foods made from scratch and locally sourced.

We committed to reopening dinners at Uptown Kitchen for one year to retest the waters and see how the growth in the area would impact the local restaurant community. Our experimental year has come to an end and in preparation for Winter, we will stop our dinner service until the beginning of Spring. Come Spring time, Uptown Kitchen will reopen our dinner service with an exciting, fresh and delicious new dinner and cocktail menu.

As always, Uptown Kitchen will continue to serve our ever popular breakfast, brunch and lunch during our normal business hours; 7 am to 3 pm seven days a week.

Please continue to keep an eye on our Facebook page as we will announce some fun special events and exclusive dinners in the evening.

Finally, if you are in need of catering or a private room for a party, please consider Uptown Kitchen. Our Director of Catering will be happy to assist you with planning a great event.
